Certification of REACH Compliance

Re : EU REACH regulation : compliance for Substances in Articles

List of the products (with the meaning of "Article" according to REACH) supplied to "Ihle tires":

- Passenger car tyres under SEBRING brand, with customs tariff number 4011100000
- Light truck tyres under SEBRING brand, with customs tariff number 4011201090
- Passenger car tyres under KLEBER brand, with customs tariff number 4011100000
- Light truck tyres under KLEBER brand, with customs tariff number 4011201090

I guarantee that I am a duly authorized representative of my employer to grant the following certification:

1. Our company is **aware of its obligations as an Article supplier under REACH regulation and its annexes and fulfils all of these obligations.**
2. Our company is **aware of the definition of an article according to the Reach Regulation.**
3. Our company is **aware of the definition of a complex object** i.e. object composed of several articles **according to the Echa Guidance on requirements for substances in article – June 2017**
<https://echa.europa.eu/fr/-/guidance-on-substances-of-very-high-concern-in-articles-updated>
4. This certificate covers all the abovementioned products supplied to all the companies belonging to "Ihle tires"

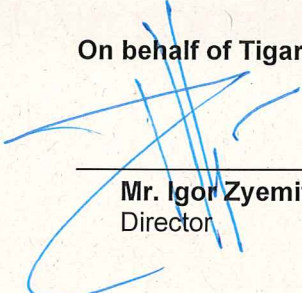

I guarantee that all the products listed above **do not contain any of the Substances of Very High Concern listed in the Candidate List with a concentration above 0,1% (w/w)**

Please find hereafter the link of ECHA website which contains the last version of the Candidate List:
<http://echa.europa.eu/web/guest/candidate-list-table>

Each time the Candidate List is reviewed by ECHA, I undertake to provide "Ihle tires" with sufficient information if Substances of Very High Concern with a concentration above 0,1% (w/w) are present in the products supplied to all companies belonging to "Ihle tires".

In Pirot, 11.12.2020.

On behalf of Tigar Tyres

Mr. Igor Zyemit
Director
